

Budweiser

"The Chief of All"

Just as the American Indian chose his chieftain for deeds of valor
in war, and wisdom in times of peace.

So has Budweiser, because of its Quality and Purity, been chosen by
the American of today as Chief of all bottled beers.

The Year Without a Summer.

The year of 1881 has been called
the year without a summer, for
there were sharp frosts in every
month. January was mild, so was
February, with the exception of a
few days. The greater part of
March was cold and boisterous.
April opened mild, but grew colder
as it advanced, ending with snow,
ice winter cold. In May ice formed
one-half inch thick, buds and
flowers were frozen and corn
killed. Frost, ice and snow were
common in June. Almost every
green thing was killed and the
fruit was nearly all destroyed.
Snow fell to the depth of three
inches in New York and Massa-
chusetts, and ten inches in Maine.
July was accompanied with frost
and ice. On the 5th ice as thick
as window glass was formed in
New York, New England and
Pennsylvania, and corn was nearly
all killed in certain sections.
In August ice formed one-half
inch thick. A cold northwest
wind prevailed nearly all summer.
Corn was so frozen that much was
cut and dried for fodder. Very
little ripened in New England,
even in Connecticut, and scarcely
any in the Middle States. Farm-
ers were obliged to pay \$4 or \$5 a
bushel for corn of 1880 for the next
spring's planting. The first two
weeks of September were mild,
the rest cold with frosts, and ice
one-fourth inch thick. October
was colder than usual with frost
and ice. November cold and
blustering with snow enough for
good sleighing; December quite
mild and comfortable.—*Hartford*
Conn. Times.

Peter Tumbledown's Weather Predictions for June, 1910.

The weather will be hot on the
11th, 18th, 20th, and 26th, and
there will be frequent thunder
showers from the 20th to the 30th.
There will be no drouth this June.
Farmers can get their hay in with-
out getting wet, if they will choose
clear weather for the work.—*Poor*

Wants \$40,000 Damages.

Attorney Edward A. Rozier, of
Farmington, has filed a damage
suit in the Circuit Court against
Probate Judge G. O. Nation and
his son, R. Heber Nation, in which
he asks damages in the sum of
\$40,000, of which amount \$20,000
is for actual damages and \$20,000
punitive damages, done his repu-
tation as a lawyer and citizen by
reason of certain articles published
in the *Voice of the People*, the news-
paper established a few months
ago in Flat River by Messrs.
Nation. The suit is the outgrowth
of a bitter fight which is being
waged between Republican fac-
tions of this county, the *Voice of*
the People having been the recog-
nized organ of the element known
as "insurgents." It has been par-
ticularly bitter in its criticisms of
the State Hospital management.
In reporting the Republican con-
ference at Bonne Terre on May
25th the *Voice* made some stinging
thrusts at the chairman of the
meeting, who was Mr. Rozier.
The reference made to Mr. Rozier
stated that he had been "kicked
out of office because he was un-
able to hold the position." Mr.
Rozier was United States District
Attorney for the Eastern Missouri
District during President McKin-
ley's administration. This thrust
at his professional ability will be
the basis of Mr. Rozier's suit.
Without attempting to discuss the
merits or demerits of the case, and
with no desire to forecast the out-
come of this remarkable action,
we can truthfully state that the
expression most commonly heard
in connection with the matter is
that the damage suit is expected
to offset the effect of the fight be-
ing made on certain political in-
terests by the newspaper of
Messrs. Nation.—*Lead Belt News.*

Resolutions of Respect.

At a regular communication of Mosaic
Lodge, No. 351, A. F. & A. M., held at
Bellevue, Mo., May 28th, 1910, the fol-
lowing preamble and resolutions were unani-
mously adopted:

WHEREAS, It has pleased the Supreme
Architect of the Universe to remove from
our midst our late brother, W. R. Read;
and,
WHEREAS, The intimate relations long
held by our deceased brother with the mem-
bers of this lodge render it proper that we
should place on record our appreciation of his
services as a Mason, and his merits as a
man, therefore be it

Resolved By Mosaic Lodge, No. 351, of
Ancient Free and Accepted Masons that
while we bow with humble submission to
the will of the Most High, we do not the
less mourn for our brother who has been
called from his labor to rest.

Resolved, That in the death of W. R.
Read, this lodge loses a brother who was
always active and zealous in his work as a
Mason, ever ready to succor the needy and
distressed; an honest and upright man,
whose virtues endeared him not only to his
brethren of the Order, but to all his fellow-
citizens.

Resolved, That this lodge tender its heart-
felt sympathy to his wife in her sad situa-
tion.

Resolved, That these resolutions be en-
tered upon the records of this lodge and
that a copy of them be sent to his wife and
to the IRON COUNTY REGISTER and *Arctavia*
Valley Enterprise for publication.
